

JOHN MUIR LIBRARY

2019-20

OUR VISION

A school community where our **library is essential** to student growth and **ALL students** are **critical thinkers, enthusiastic readers, skillful researchers** and **ethical users of information** (AASL, 2018).

OUR MISSION

The JME library exists to **support the learning & growth** of **ALL students**. Specifically, we aim to provide each student with:

- **equitable access to information resources and services**
- **technology literacy and digital citizenship instruction**
- **encouragement as a reader that will inspire lifelong learning and enrichment** (WLMA, 2018).

OUR COLLECTION

Along with a variety of online resources, we are fortunate to have a **high-quality** collection of **thousands of books** on our shelves and a range of digital resources online. Many of these resources are accessible from a home computer. We are working continuously to add attractive and meaningful materials that **reflect** the **diversity, interests** and **learning** of our students and staff.

OUR POLICIES

Students will have **scheduled library time** for **30 minutes per week**. However, the library is open during the morning and afternoon recesses (see schedule at right), and after school most days.

Students in **grades 1-5** will be able to **check out 3 books at a time for a two-week period**. Books can be renewed by bringing the book in to be scanned. **Kindergarteners** will be able to check out **one book** per week to be kept in their classroom. Library books can be returned before or after school, at recess or during assigned library time. Library books can be returned to a book box outside the library even when the library is not open.
